

Your Wine—Your Way Classes

This beginner level class provides a hands on introduction to home wine making with perspectives on the history, geography, biology, chemistry and psychology of wine.

At the completion of this class, you will have the knowledge and confidence to continue making your own wine in the convenience of your home or here at the winery.

Australian Chardonnay

Bacchus Winery And Home Wine Making

Bacchus Winery and Home Wine Making Supply

Your Wine—Your Way

Class Details Sat or Sun Classes

Schedule—10 am to 1 pm

Day 1—Primary Fermentation
7 Days Later—Secondary Fermentation
14 Days Later—Fining
14 Days Later—Polishing
14 Days Later—Bottling

Cost—\$150* per student with two students teamed together to produce wine at the winery. Additional participants can join as observers for \$25 per person for up to 6 observers. The class, start to finish is seven weeks with a maximum of 15 hours of student-instructor contact time at the winery.

You will make 30 +/- bottles of wine per team that you take home. We will also enjoy a glass of red or white wine produced at the winery during each class.

At the end of this class, all students (not including observers) will qualify for deep student discounts for six months on all products (except for wine) that you desire to purchase from the Bacchus Winery retail area including juice kits, wine making hardware, and other items.

*Includes \$100 credit on a juice kit. If kit exceeds \$100, balance will be added to cost of class.
